

Tim in KY TdF Stage 7 is a 25-kilometer ITT from Nuits-Saint-Georges to Gevrey-Chambertin in the vineyards of Burgundy. Nuits-Saint-Georges is also an appellation for pinot noir wine.

Tim in KY Mark Cavendish, the current lanterne rouge, starts at 13:05 CEST. Pog sets off at 17:00. It is imagined that it will take 29 minutes to ride the route. Forecast is for cloudy but dry in the mid-20s.

07-04-2024
01:24:38 pm

RCG Philipsen was relegated from 2nd to 107th in the stage 6 sprint for not holding his line and obstructing van Aert. Cavendish was penalized for drafting cars and had a lot to say about it. Med Pedersen was deemed most combative, on a stage where there wasn't much combativity. Probably a nod to him soldiering on after yesterday's hard crash. There were no DNFs for stage 6.

While they will have the most, not enough to push their agenda through. So the Left Alliance, along with Macron's remaining group will for now, if the vote plays out, thwart the right from complete control. But the next three years could be a mess in France. Final campaigning in France ends in a few hours, with the Saturday truce before Sunday's vote. Fingers crossed. 07-05-2024 08:20:38 am

Katie S I'm a little groggy this morning. The teenaged girls across street, who I believe are part of the local popular teen set, had a gaggle of kids over last night and set off the most enormous illegal (cuz they're all illegal in our community) fireworks after 10 pm. Tim, I think even without your implants active, you would have experienced it - the concussions and flaring lights of it. I thought to call the sheriff, but I didn't have the annoying-neighbors dispatch number handy. I mean, i can understand a couple piccolo petes and such, but this was excessive. RCG I've been highlighting a kitten of the day on my personal FB page, ahead of them all going back to the humane society Monday. Today was kitten #7, the last of the littles (the foundling tabby). Mamacat's adopter backed out at the last minute, so I'll do her write-up tomorrow. The hope is to get local friends interested in adopting them. I love it when friends adopt my fosters, because I get to see them grown up. A cycling friend came over Wednesday to play with kittens after she put in an application on one of them, and his charming personality sealed the deal :-)

07-05-2024
