10-01-2021
04:30:21 pm

Tim in KY Women's race map for Saturday. Anyone know what the blue "Derivations" are?

10-01-2021
04:32:15 pm

Tim in KY Kilometer zero at 13:45. Finish is imagined either side of 17:00. Current forecast is for cloudy with a coin toss possibility of showers and temps in the mid-teens.

10-01-2021
04:38:08 pm

Tim in KY No live stream until 15:15.

10-01-2021
04:56:51 pm

Charlie in Tenn Looks like TV broadcast may start as early as 8:45 EDT. Several reports have it starting at that time. We will see.

10-01-2021
10:59:35 pm

Tim in KY Peacock still says 9:15 EDT.

10-02-2021
07:07:35 am

Tim in KY Forecast right now is dry at the start getting wetter as the route goes north.

10-02-2021
07:12:38 am

Tim in KY Good morning Charlie.

10-02-2021
07:23:09 am

Charlie in Tenn TIZ still says tv start at 8:45. That might be Eurosport/GCN talking before the actual video starts.

10-02-2021
07:24:36 am

Charlie in Tenn Good morning to you. My wife has a face painting gig at 9 so I will be on and off up to the point that see drives away.

10-02-2021
07:25:59 am

Charlie in Tenn Currently looking for two items that she usually uses on these jobs that appear to have disappeared. Going to the outdoor shed next.

10-02-2021
07:27:38 am

Tim in KY Neutral start.

10-02-2021
07:36:35 am

Tim in KY Km 0.

10-02-2021
07:43:40 am

Rocket City Gal Good morning, all! I'm not going to be able to watch the video coverage of today's race until later... but I'll be stopping by the LUG Pub intermittently.

10-02-2021
07:55:05 am

Tim in KY Good morning RCG. Not much happening yet.

10-02-2021
07:55:45 am

Rocket City Gal I have my first in-person sales event since the foot / ankle surgery. I'm still not terribly mobile, but the event organizers have been super nice -- they've got me on level asphalt right next to the handicapped ramp up to the restrooms. The venue is at an old textile mill which was abandoned for years, but repurposed into cool art studios throughout several buildings. I won't be inside, but rather outside, with about 60 other vendors. Fingers crossed that the small chance of rain in the late afternoon (about the time I'll be packing up) doesn't materialize.

10-02-2021
07:57:40 am

Charlie in Tenn Sounds great RCG. Hope you have a good day.

10-02-2021
08:02:35 am

Tim in KY Very windy here but the rain come tomorrow. Now that the laundry is in the dryer I'm going for a walk. Still no real action in the race. Good luck with sales.

10-02-2021
08:02:44 am

Rocket City Gal I've made great strides in rehab, but have a ways to go yet. Once out of the cast and allowed to start weight bearing, I progressed from the knee scooter to 2 crutches in a week and a half, then to 1 crutch or cane. I can now walk short distances without cane / crutch around the house. Today I'll be taking the scooter for backup, just in case. It will be a long day... Spent an hour at Shoe Carnival eariler this week trying on various shoes to try to find one that will fit on my still-swollen post-op foot, as I can get none of my preexisting footwear on that foot. I found a men's shoe in a half-size bigger than usual, size wide that will fit over my compression sock / ASO ankle brace, and a pair of "matching" ones for a right shoe in my normal size that matches the bigger left one in appearance, even though it's not the same side. I celebrated by getting on the spin bike for 25 minutes with REAL SHOES, not with my husband's ginormous Croc on my left foot. I never thought I'd be so happy to be able to wear REAL SHOES.

10-02-2021
08:03:05 am

Rocket City Gal So, progress.

10-02-2021
08:05:04 am

Rocket City Gal It's supposed to rain here, but not until tonight / tomorrow.Â 10-02-2021
Looks pretty, Buster. 08:05:46 am

BusterSci Shagawa Lake. If you zoom in just off the point you can see the 10-02-2021
old hulk of the Pioneer Mine elevator, where 51 Million tons of high grade 08:07:59 am
hematite ore came out of the ground until the late 60s.

Charlie in Tenn 24 kms done. 3 ladies that I don't know have a small gap. 10-02-2021
08:29:22 am

Rocket City Gal Not only do I not know these ladies, Iâ€™m not very 10-02-2021
acquainted with 2 of their teams.zx 08:32:06 am

Charlie in Tenn My participation this morning may be very hit and miss. I 10-02-2021
have been informed that I am expected to drive over to the face painting site 08:32:06 am
(my wife's fun job), help her set up, and let the kids enjoy the festival. Somehow I missed all
of my participation in this. Hope they have good WiFi.

Charlie in Tenn RCG yes. 10-02-2021
08:32:39 am

Rocket City Gal If it makes you feel better, Charlie, Iâ€™ve roped Mr 10-02-2021
Pathological Dyer into helping with my set-up starting at 8:30-9 this morning. 08:35:29 am
Â Then heâ€™ll go for a bike ride, then come back to help me pack everything back up.
Â Then dinner. Â Then sometime around 6:30 pm weâ€™ll be able to watch the replay.

Tim in KY Whoever the three were, they're caught. 10-02-2021
08:38:53 am

Trish in MA Looking forward to this race. Â I've "borrowed" my SIL's 10-02-2021
Peacock+ account, talked Carlene in NH to come down and watch with me, 08:41:35 am
and we've been catching up on all the previews and pre-race analysis.

SFinAus Greetings everyone.Â Seems like most are having busy 10-02-2021
mornings.Â I'm just planning to park myself and follow the race.Â It's really 08:44:46 am
too bad the TV coverage is limited.

Katie S Good morning! Soâ€™ a handful of Nuts wander into a pubâ€™ must 10-02-2021
be a bike race in. Iâ€™m really looking forward to todayâ€™s edition. 08:47:34 am

Katie S And I suspect you all FBâ€™d about the WHFâ€™s encore 10-02-2021
performance. That was a great race! 08:48:16 am

Rocket City Gal Iâ€™™m rooting for Vos, Lotte Kopecky, Norsgaard, and Bastianelli. Âˆ :-) Âˆ Iâ€™™m so happy that the women finally get to ride a Paris-Roubaix course.

10-02-2021
08:48:18 am

Katie S Me too!

10-02-2021
08:49:57 am

Trish in MA Me three!

10-02-2021
08:50:07 am

Rocket City Gal Watching some of the Cro race for now. Âˆ What a beautiful country. Âˆ Some friends of ours just finished a cycling trip there. Âˆ They said it was pretty hilly.

10-02-2021
08:52:29 am

Katie S Oh, thatâ€™™s not the CroMagnon race? Thanks for the clarification.

10-02-2021
08:52:41 am

Trish in MA This is terrific

10-02-2021
08:54:01 am

Rocket City Gal Great âœœmapâœ€!!!

10-02-2021
08:55:58 am

SFinAus Hmm, I don't see the note I typed with the pic. - it was on twitter from @reallyspocketome.Âˆ She has it posted on a wall.

10-02-2021
08:56:25 am

SFinAus Deignan reportedly 45s off the front.Âˆ Not sure if it's a plan or just because she hit the first two sectors fast... or both.

10-02-2021
08:57:39 am

Tim in KY Lizzy needs to sit up or get some company.

10-02-2021
08:58:22 am

SFinAus Yeah, I mean I know she's excited to do the race, but...

10-02-2021
08:59:11 am

Rocket City Gal It's all about pacing yourself.

10-02-2021
08:59:44 am

Katie S Folks, we're talking about Deignan, here. She kind of does her own thing, doesn't she?

10-02-2021
09:00:41 am

Tim in KY She's got 1:40 now. 2 KU is a long way to solo for anyone.

10-02-2021
09:13:56 am

Katie S It certainly is

10-02-2021
09:14:19 am

SFinAus Combined info from GCN and CN says with 66k to go Deignan still in front at 2 min and a split with a group of 32 25s ahead of a big bunch.

10-02-2021
09:15:13 am

Tim in KY Stream is up.

10-02-2021
09:16:03 am

Katie S Feed is up!

10-02-2021
09:16:06 am

Katie S Rain

10-02-2021
09:17:19 am

SFinAus Yay video. As for rain, I saw a short vid earlier of standing water at one section but it didn't say where.

10-02-2021
09:19:04 am

Tim in KY There's standing water everywhere.

10-02-2021
09:20:30 am

Katie S That was a weird little tumble

10-02-2021
09:21:07 am

SFinAus That's a quality small group following Deignan with Vos, Brenauer, and Logo Borghini. I wish there was more details on groups and splits, but I bet it's too chaotic

10-02-2021
09:26:33 am

Trish in MA So this is the first race I've watched live. Â Who are the commentators? Â Do we like or hate them?

10-02-2021
09:26:41 am

Tim in KY Hannah Walker is one of them.Â She's okay.Â Don't know who the other one is.

10-02-2021
09:27:46 am

Katie S Buster is not a fan of AnthonyMcCossa

10-02-2021
09:28:02 am

Katie S McCrossan

10-02-2021
09:28:26 am

SFinAus Mixed reviews here.Â I too think Hannah is fine when he let's her finish a comment.Â I used to think he was fine, but after a couple of GTs I'm not a fan.

10-02-2021
09:29:40 am

SFinAus ELB down

10-02-2021
09:29:43 am

Trish in MA Crash

10-02-2021
09:29:43 am

Katie S Ouch

10-02-2021
09:30:02 am

SFinAus oh and VosÂ at least it looks 'minor'

10-02-2021
09:30:06 am

Tim in KY Slippery mess.

10-02-2021
09:30:56 am

Trish in MA That just looks ugly

10-02-2021
09:30:59 am

SFinAus Very

10-02-2021
09:31:33 am

Tim in KY Crowd is bundled up. But doesn't look rained on.

10-02-2021
09:35:13 am

Trish in MA It's quite cold here in MA. Â I had to start a fire and turn on the heat.

10-02-2021
09:35:57 am

Katie S Sounds cozy!

10-02-2021
09:36:22 am

John Fire? Heat? It's still 100 over here. I miss fall.

10-02-2021
09:37:39 am

SFinAus 71 here and headed for 90 this afternoon. I'd like some chilled air that I don't pay for. :)

10-02-2021
09:38:05 am

Tim in KY In this muck it may be an advantage to be solo.

10-02-2021
09:40:42 am

SFinAus I bet Vos would be happy if those two JVs in the next little group could make contact.

10-02-2021
09:41:13 am

Trish in MA My husband is on a train junket and took the cog railway up to the top of Mt. Washington two days ago. It snowed for most of the trip up the mountain and the summit was covered in snow.

10-02-2021
09:41:31 am

Katie S Kinda think she's got this, barring mechanical or bonk.

10-02-2021
09:41:43 am

SFinAus I thought that too Tim, especially every time I see her rear wheel slide out on a corner.

10-02-2021
09:41:54 am

Carlene in NH It's a long ways to Roubaix for a solo rider.

10-02-2021
09:42:46 am

SFinAus Could be Katie, but that is a high quality group behind her. Of course, they could all wind up looking at each other to do the work. Great race.

10-02-2021
09:43:18 am

Tim in KY Katie, will you have any governance role after Northeastern takes over next year?

10-02-2021
09:43:39 am

Tim in KY The "real road" isn't much better than the cobbles.

10-02-2021
09:45:22 am

Katie S TBD. Mills will no longer have a governing board, of course. There may be other opportunities. Sorry to be vague.

10-02-2021
09:46:13 am

Trish in MA However bad the real road is, it's better than cobbles.

10-02-2021
09:46:35 am

Katie S Deignan isn't wearing gloves, can't imagine slapping bare hands down on those cobbles in a crash.

10-02-2021
09:48:22 am

SFinAus It doesn't bode well for Deignan that a couple of teams now have multiple riders in the chase.

10-02-2021
09:49:36 am

Tim in KY Lizzy has 2 teammate in group 2 and I'm sure they're doing their best to botch the chase.

10-02-2021
09:49:43 am

Tim in KY Actually three teammates now.

10-02-2021
09:50:25 am

Trish in MA Windmills!

10-02-2021
09:52:08 am

Katie S Hope the cyclists don't tilt

10-02-2021
09:52:53 am

Carlene in NH ugh, we just lost signal here in MA

10-02-2021
09:56:20 am

Katie S We just lost a signal

10-02-2021
09:56:28 am

Tim in KY Lost the stream.

10-02-2021
09:56:31 am

Carlene in NH Great. it isn't us, then.

10-02-2021
09:56:46 am

SFinAus both GCN and Peacock.

10-02-2021
09:56:50 am

Katie S Well this isn't fair

10-02-2021
09:56:56 am

Trish in MA Totally not fair.

10-02-2021
09:57:08 am

SFinAus annd we're back.

10-02-2021
09:57:16 am

Katie S Back!

10-02-2021
09:57:20 am

Tim in KY Gap is coming down a bit.Â But just 10 seconds.

10-02-2021
10:02:11 am

Tim in KY Movi has cut almost 30 seconds off the gap.

10-02-2021
10:04:55 am

Trish in MA I never appreciated how much of this race is cobbles.

10-02-2021
10:04:56 am

Katie S Makes my bum â€| wristsâ€| shouldersâ€| handsâ€| feetâ€| ok - everything- hurt

10-02-2021
10:06:06 am

Katie S Just watching it all

10-02-2021
10:06:20 am

Carlene in NH It's those 90-degree turns that give me the willies.

10-02-2021
10:07:06 am

Trish in MA My teeth hurt just from watching all the shaking.

10-02-2021
10:07:26 am

Tim in KY Almost in Belgium right now.

10-02-2021
10:08:14 am

Tim in KY You'd think with three Movi and three JuVi they could cut more time off a solo.

10-02-2021
10:09:29 am

Katie S I donâ€™t think the women can shut down a gap using the 1 minute per 10k calculation. Happy to be proven wrong.

10-02-2021
10:11:56 am

Tim in KY All the standing water on this sector is going to bother the chase group.

10-02-2021
10:13:35 am

Tim in KY That was acrobatic!

10-02-2021
10:13:51 am

SFinAus OH MY.Â Lizzy!

10-02-2021
10:13:53 am

Katie S Great bike handling

10-02-2021
10:14:13 am

Carlene in NH That was a smooth move

10-02-2021
10:14:16 am

SFinAus BIG crash!

10-02-2021
10:14:39 am

Trish in MA Ouch

10-02-2021
10:14:47 am

Carlene in NH oh ow oh ow oh ow

10-02-2021
10:14:48 am

SFinAus at speed on the pave too.

10-02-2021
10:14:51 am

Katie S Geez

10-02-2021
10:15:01 am

Trish in MA Our cries of "Ouch, ouch, ouch" have brought the cats running to see what is going on.

10-02-2021
10:15:42 am

Tim in KY Vos goes it alone.

10-02-2021
10:15:58 am

Katie S Adrenaline and determination

10-02-2021
10:16:14 am

SFinAus I think ELB can hang in there too.Â Podium getting set?

10-02-2021
10:16:42 am

Carlene in NH She's probably thinking that 2nd is not an option.

10-02-2021
10:16:42 am

SFinAus 1:45 is a lot to reel in with only 16k to go - not a standard 16 km though.

10-02-2021
10:18:56 am

Mikey Good Morning and greetings

10-02-2021
10:20:06 am

SFinAus If I ever get to PR, I think this is the sector I'll park myself at

10-02-2021
10:20:07 am

SFinAus Hi Mikey.

10-02-2021
10:20:17 am

Katie S 15k to go

10-02-2021
10:20:27 am

Katie S Hi Mikey!

10-02-2021
10:20:41 am

Carlene in NH this is quite the. nail-biter.

10-02-2021
10:20:48 am

SFinAus Agreed Carlene

10-02-2021
10:21:15 am

Tim in KY Vos is really drilling it.

10-02-2021
10:21:30 am

Katie S Thatâ€™s some wind

10-02-2021
10:22:07 am

Tim in KY 25 kph.

10-02-2021
10:23:23 am

Tim in KY Not a fan of the orange and yellow stripes.

10-02-2021
10:24:01 am

Tim in KY Vos has been on 1:18 for a while now.

10-02-2021
10:27:04 am

Katie S Vos turning this into a race

10-02-2021
10:27:26 am

SFinAus But I think you called it (about 45 minutes ago) Katie.

10-02-2021
10:27:51 am

Tim in KY Raining again.

10-02-2021
10:29:23 am

SFinAus Now they block the sides of the pave?

10-02-2021
10:30:30 am

Katie S Cruel

10-02-2021
10:30:42 am

Tim in KY Those shoulders are paved, that's why they're blocked.

10-02-2021
10:32:02 am

Katie S You WILL ride on COBBLES!

10-02-2021
10:35:04 am

Tim in KY Still 1:18. with 4 km to go.

10-02-2021
10:35:47 am

Katie S Great gurning face

10-02-2021
10:36:30 am

Mikey Rainbow bands look pretty cool!

10-02-2021
