

 **Tim in KY** Gdl Stage 14 is a 31-kilometer individual time trial to Desenzano del Garda (which is on the shore of Lake Garda) from Castiglione delle Stiviere (which is actually just 13-km to the south). The race route makes a big loop to the east and back. 05-17-2024 01:44:43 pm

 **Tim in KY** The profile is mostly flat with some scattered little hills, the worst of which is 600 meters at 6%. It comes 12 kilometers from the start. 05-17-2024 01:46:44 pm

 **Tim in KY** The first rider is scheduled to start at 13:20 CEST. Because of the abandons, it may be later. The start order is the reverse of the GC order. Pog starts at 16:35. It is imagined that it will take 36 minutes to complete the course. Forecast is for sunshine in the low-20s. 05-17-2024 01:48:04 pm

 **DStan58** negative altitude gain, eh? 05-17-2024 03:35:21 pm

07:43:06 am

**Tim in KY** First three riders are off.

05-18-2024  
07:43:16 am

**Charlie in Tenn** I will be here early but my stamp club has a random Saturday buy and trade day from 9 am to 1 pm so will check out soon. Seems like a good day to miss.

05-18-2024  
07:43:21 am

**Tim in KY** I have more than usual chores and errands today so I will be more out than in.

05-18-2024  
07:44:18 am

**Tim in KY** "Born to Dare" What sort of a slogan is that for a watch company?

05-18-2024  
07:46:16 am

**Charlie in Tenn** Are they marine watches for underwater adventure? That is all I have.

05-18-2024  
07:50:00 am

**Tim in KY** I don't know. I'd never heard of Tudor watches before they got into sponsoring bike racing.

05-18-2024  
07:52:08 am

**Charlie in Tenn** Cerny will set the best time and sit there until maybe Affini comes through

05-18-2024  
07:52:23 am

**Charlie in Tenn** Quote from Tudor's site. "Because of their proven reliability and affordability, throughout their history, TUDOR watches have been chosen by the boldest adventurers on land, underwater, and on ice." So I guess they are adventurers.

05-18-2024  
07:57:03 am

**Tim in KY** Then why had I never heard of them?

05-18-2024  
07:59:50 am

**Tim in KY** Morning, Buster.

05-18-2024  
08:00:25 am

**BusterSci** Marketin logic: you aren't selling a product, you're selling a lifestyle. Apparently it works, which is why you never see car ads talk about engines, transmissions, or suspensions. Rather, they show beautiful people going to beautiful places.

05-18-2024  
08:00:28 am

**BusterSci** Hiya.

05-18-2024  
08:00:46 am

**Charlie in Tenn** Well, \$4000 watches have always been out of my league anyway so I will stick with my phone and continue on.

05-18-2024  
08:08:12 am

**BusterSci** Wanted to get out fishing early this morning but other concerns have required me to stay close to the facilities. And now a small thunderstorm is rolling through so probably best I'm not on the water.

05-18-2024  
08:10:14 am

**Tim in KY** Shortly we will be walking down to the library for early voting in Tuesday's primary election.

05-18-2024  
08:11:53 am

**Katie Lane** I got some of the garden planted yesterday. I started, then a fine mist began to fall... which became a light shower, then a bit heavier, then full on rain. So I finally had to stop. At least most of what I wanted to get in is done.

05-18-2024  
08:12:08 am

**BusterSci** The pine trees are so heavy with pollen that when a big raindrop hits a branch, puffs of pollen come off like small ignitions. Really interesting.

05-18-2024  
08:12:50 am

**Katie Lane** But more rain is coming.... so, no more broadforking or planting until it dries off some. That will be Monday or Tuesday, when it will be sunny with temps around 90 degrees. Ugh.

05-18-2024  
08:13:06 am

**Katie Lane** Pine pollen is evil, Buster. Everything has a fine yellow dust coating here in the spring.

05-18-2024  
08:13:49 am

**Rob** My dad got a Tudor watch for his 21st birthday, he told me it was a cheaper alternative to a Rolex.

05-18-2024  
08:13:54 am

**Charlie in Tenn** We have rain and probably thunderstorms this afternoon. I have my son's birthday party when the storms are coming through. The plan was water guns and outside all day. It appears that I will entertain 11-12 yr olds in the house for 4 hours. We will play some social deduction games, bored kids can play video games, and eat some cake.

05-18-2024  
08:14:36 am

**Katie Lane** My husband has a "TdF" watch. Yellow straps. You can probably guess who made that one.

05-18-2024  
08:14:48 am

**Charlie in Tenn** I guess Tissot.

05-18-2024  
08:16:15 am

**BusterSci** Up north here you can tell the spring high water mark by the yellow lines on the ledge rock around the lakes.

05-18-2024  
08:16:16 am

**Katie Lane** Charlie, you are correct!

05-18-2024  
08:16:27 am

**Charlie in Tenn** Those are still too expensive for me.

05-18-2024  
08:17:25 am

**Charlie in Tenn** OK, I am gone. Enjoy the day.

05-18-2024  
08:20:27 am

**BusterSci** I had a Tissot that my older brother bought me--I think for graduation. They were like \$45 at Pamida. Not sure if they had made an effort to get into the low-end consumer market or if I looked really closely the logo was actually +ISSO+ or something like that. I recall a guy trying to sell me a Bolex real cheap in Paris.

05-18-2024  
08:21:01 am

**BusterSci** I had to give up watches in my early 20s when my psoriasis kicked in. The irritation triggered plaques. Interestingly, the glass back of the Apple Watch doesn't seem to have the same problem.

05-18-2024  
08:46:37 am

**BusterSci** Foss starting at half past, and O'Ganna 5 minutes later.

05-18-2024  
08:46:39 am

**BusterSci** Daan Hoole sets a new best at 2nd check, which Affini then bests.

05-18-2024  
08:46:40 am

**Tim in KY** I'm allergic to the Nickel that's in all metal watch bands and in the buckles of all leather bands. So I gave up wrist watches eons ago.

05-18-2024  
08:59:41 am

**Tim in KY** Back from voting.

05-18-2024  
08:59:51 am

**Tim in KY** Still much chores to accomplish.

05-18-2024  
09:01:25 am

**Tim in KY** O'Ganna a minute faster at the second check.

05-18-2024  
09:03:13 am

**BusterSci** Lots of all silicone/plastic bands for Apple and other smart watches. They certainly don't have the same style as a nice dress watch with leather or metal band, though. But very useful.

05-18-2024  
09:03:29 am

**BusterSci** Still another hour before the GC guys start.

05-18-2024  
09:06:00 am

**Katie S** Good morning. I ended up with a cheapo faux Rolex watch once. I wore it quite a lot. In fact, I wore it the day in 1988-ish that I interviewed Pete Peterson, the former US commerce secretary, for my newspaper. I walked him to his waiting limo at the end, and I saw him glance down at my "Rolex." He said, "I used to have one of those! But mine was fake!" Ha!! I laughed and said, "So is mine!" He laughed, "Really! What'd you get it for?" "My sister in law gave it to me." He laughed again, we shook hands, and off he went.

05-18-2024  
09:15:04 am

**BusterSci** I always enjoy the Rolexes (Rolie?) on Antiques Roadshow. "I bought this for \$350 when I was in the Philippines." "Well, it's worth \$650,000 today."

05-18-2024  
09:19:46 am

**Tim in KY** Between chores.

05-18-2024  
09:25:40 am

**BusterSci** I've considered a fancy watch in the past. But I like watches that are thin and understated. Fancy watches are all big and bulky. So I spent the money on wine.

05-18-2024  
09:26:23 am

**Katie S** But you do need a watch to make sure you "drink no wine before its time"

05-18-2024

05-18-2024  
09:33:31 am

**BusterSci** Paul Masson

05-18-2024  
09:33:39 am

**PasadenaK8** Mornin' to you all on this 2nd "Alone Time" stage of the race. Haven't worn one in a very long time, but all this talk about watches is inspiring me to pull out mine. No real fancy/pricy ones, but have a ring

05-18-2024  
09:33:39 am

watch that I love, a horse drawn carriage pin watch (carriage door opens), one that becomes a 3D-ish pyramid when you shine a light onto it in the dark, and a Western style one that has pistols for the hands.

**BusterSci** SNL did a bit where the guy playing him said "I will eat no cow before its time."

05-18-2024  
09:34:11 am

**Katie S** Another winner, Buster!

05-18-2024  
09:34:13 am

**Mikey** Another pop in and fly for me. It's anniversary weekend for me and we are off to the farmers market!

05-18-2024  
09:35:51 am

**Katie S** Happy anniversary!

05-18-2024

**Mikey** Enjoy the paint! Baaaaaaa

05-18-2024

05-18-2024

05-18-2024

05-18-2024

**BusterSci** Chaves on the road

05-18-2024  
10:04:10 am

**RocketCityGal** Wiebes wins the stage at Burgos today with Copponi 2nd and Van der Duin 3rd. Â There was a big crash affecting many riders with 1.4 km to go.

05-18-2024  
10:05:20 am

**PasadenaK8** Sheffield "on" the road \*:-(

05-18-2024  
10:06:47 am

**BusterSci** Opinion: Â Regardless of how bad they are to watch, what are your opinions on ITT and TTT in grand tours?

05-18-2024  
10:06:52 am

**RocketCityGal** Meanwhile in Kittenland â€™ Honey is still being a fabulous mother. Â She flipped over onto her back so that there was access for everybody, and she was kneading her front paws up in the air.

05-18-2024  
10:07:43 am

**RocketCityGal** [https://rumbletalk-images-upload.s3.amazonaws.com/61922326bc2ef459e5ed5de71ef53a57/1716041571-IMG\\_8569.jpeg](https://rumbletalk-images-upload.s3.amazonaws.com/61922326bc2ef459e5ed5de71ef53a57/1716041571-IMG_8569.jpeg)

05-18-2024  
10:07:53 am

**RocketCityGal** The days of team time trials are pretty much over. If theyâ€™re fairly short, itâ€™s OK, but. GC guys shouldnâ€™t be penalized for not being on a team that can afford the highest tech and training for everyone. Â Better funded teams definitely benefit, and I think those benefits are expanded in a team event. The ITT, on other hand, is an individual effort (even though tech still plays a part, the GC guy usually gets better stuff than the rest of the team if funding is an issue.) and I think the mix of hilly and flat time trials spice Â up the race.

05-18-2024  
10:12:17 am

**Katie S** I miss the TTT. I liked the balletic quality, the shimmering serpent of riders in the same kit working togetherâ€™ and occasionally leaving someone behind. I really enjoyed them and lament their loss.

05-18-2024  
10:14:27 am

**BusterSci** I kinda like prologue TTTs. Â They minimize the "bad team" aspect.

05-18-2024  
10:15:01 am

**Tim in KY** Back for the duration. I see I may finally get some VG points from Plapp.

05-18-2024  
10:15:57 am

**Tim in KY** I think a ITT or two is good for a grand tour. Like Katie I miss the TTT.

05-18-2024  
10:16:42 am

**PasadenaK8** They're getting big! RCG. Â I also prefer the TTTs, despite all the downsides to them.

05-18-2024  
10:17:28 am

**BusterSci** What about ways of minimizing the bad team effect? Â Limit time loss to actual time to next place but no more than 10s, for instance.

05-18-2024  
10:19:29 am

**BusterSci** On ITTs, I say a couple shorties or one long, cutoff being maybe 35k?

05-18-2024  
10:20:27 am

**Tim in KY** Explain that further, Buster. Give an example.

05-18-2024  
10:20:43 am

**Katie S** â€œTheyâ€ tout bike racing as a team sport. So you live and die by your team, â€œgoodâ€ or â€œbad,â€ â€œrichâ€ or â€œpoor.â€  
When has a less-monied team delivered an overall GC winner, anyway?

05-18-2024  
10:22:44 am

**BusterSci** So UAE is first, Ineos second at 32s, EF third at 35s. Â Ineos riders only lose 10s to UAE riders. Â EF will lose 13s (the max to 2nd plus the 3s from 2nd to 3rd.

05-18-2024  
10:22:58 am

**BusterSci** Hesjedahl for EF

05-18-2024  
10:24:04 am

**Tim in KY** All the riders even if they've been dropped along the way?

05-18-2024  
10:24:17 am

**Katie S** That sounds like a word problem for a Belgian grammar school math workbook.

05-18-2024  
10:24:49 am

**BusterSci** Dumoulin for Sunweb

05-18-2024  
10:27:08 am

**Tim in KY** Why does Ineos have so many time trailers?

05-18-2024  
10:27:41 am

**PasadenaK8** Have it be a Prologue/Exhibition type of stage, where everybody gets a participation trophy, and, (using Busterâ€™s point idea), make it just 1 sec differences \*8-}

05-18-2024  
10:27:56 am

**Katie S** They were hoping for a TTT?

05-18-2024  
10:28:10 am

**BusterSci** Scarponi for Lampre

05-18-2024  
10:29:13 am

**BusterSci** It isn't always the biggest money teams with GC winners. ^ It is rare, though, that the lesser teams win.

05-18-2024  
10:30:40 am

**BusterSci** Lesser funded.

05-18-2024  
10:30:45 am

**SFinAus** I like the TTTs and miss them. ^ They are much more entertaining and interesting than ITTs for this spectator. ^ I'm not opposed to mitigating sucky-team losses, although the details would be debated endlessly (just like using TTTs in the first place). ^ ITTs are good for the GTs and bring a good variable into play, but as with all things they should be in good measure (debate that too!). ^ I think the Giro has it about right this year. ^ A couple of stages with different characteristics.

05-18-2024  
10:31:59 am

**mmcally** Hello everyone. The Tour used a modified results model back in early 2000's. I think the views were mixed.

05-18-2024  
10:32:58 am

**mmcally** Here is a good article from 2015 that talks a lot about it.  
<https://tunedintocycling.com/2015/07/25/the-modified-constant-time-model-for-the-team-time-trial/>

05-18-2024  
10:33:40 am

**BusterSci** One thing we can be certain about in cycling--the reviews of anything new will be mixed.

 **RocketCityGal** We saw the last 🇺🇸 men🇺🇸 /women🇺🇸 TTT at Worlds (Innsbruck) 05-18-2024 10:42:28 am

 **Katie S** And he🇺🇸s off! 05-18-2024 10:43:55 am

 **mmcnally** My youngest daughter who went to school last year in Lisbon fell in love with being in Europe. She traveled a bit, but like her father fell in love with France. So she found a job in Tours that she starts at the end of summer. We are very excited for her. 05-18-2024 10:44:07 am

 **SFinAus** That was great, RCG! 🇺🇸 The new format is ok, but the old way was way better. 🇺🇸 Still, I understand why the trade teams didn't like. 05-18-2024 10:44:18 am

 **Katie S** That🇺🇸s great news, Mike! The family migration to France begins! 05-18-2024 10:45:06 am

 **mmcnally** It took some doing, Buster. But she kept at it. She had something lined up in Faro, Portugal. But it fell through at the last minute. 05-18-2024 10:47:08 am

 **BusterSci** What's her field? 05-18-2024 10:47:33 am

**PasadenaK8** PCS has been getting some great photos, as the riders pass by their van: <https://www.procyclingstats.com/race/giro-d-italia/2024/stage-14/live>

**BusterSci** Frau couldn't resist buying some Chicken Poop lip balm the other day. Â Happy the label clearly states "Contains no Poop."

05-18-2024  
11:06:19 am

**Katie S** I would really like to see Oâ€™™ Ganna take this one

05-18-2024  
11:06:28 am

**Katie S** What will they think of next?

05-18-2024  
11:06:56 am

**PasadenaK8** 2nd that.

05-18-2024  
11:06:57 am

**BusterSci** G has matched Thymen's time at both check points.

05-18-2024  
11:06:57 am

**SFinAus** I think I saw that balm at a local feed store. Â I resisted. Â :)

11:06:58 am

**Katie S** I have the niece this weekend. Thereâ€™™s a feed store in town. Guess where lâ€™™m gonna take herâ€™™

05-18-2024  
11:07:50 am

**RocketCityGal** Tiberi 4th for now

05-18-2024  
11:08:20 am

**BusterSci** Well done.

05-18-2024  
11:08:46 am

**BusterSci** No idea how accurate the PCS map is, but it looks like Dani is fading

05-18-2024  
11:09:23 am

**RocketCityGal** G past the Italiacow

05-18-2024  
11:09:53 am

**BusterSci** 1:19 back for Dani. Â The map is not accurate.

05-18-2024  
11:09:53 am

**BusterSci** G picking up 32s right now

05-18-2024  
11:10:21 am

**RocketCityGal** Pog losing time to Ganna in the last part

05-18-2024  
11:11:08 am

**RocketCityGal** Oâ€™Connor 5th

05-18-2024  
11:11:24 am

**BusterSci** I think Ganna went with a strong negative split.

05-18-2024  
11:11:50 am

**Katie S** Good on G

05-18-2024  
11:14:05 am

**RocketCityGal** Good TT 4 G

05-18-2024  
11:14:25 am

**BusterSci** I'm always happiest when a true specialist beats the GC guys in later TTs. ^ That's the way it should be.

05-18-2024  
11:14:36 am

**Katie S** Ayup

05-18-2024  
11:14:49 am

**SFinAus** In the last ITT, I proclaimed I was glad O'Ganna was earning his keep on my team only to find out later I didn't have him. ^ May have been on my short list, but didn't make it. ^ (I spent too much having both Pog and G.)

05-18-2024  
11:15:32 am

**RocketCityGal** Yay for Ganna!

05-18-2024  
11:15:44 am

**BusterSci** Not a big deal in the first week. ^ But Ganna can phone it in for a couple stages to prep for today.

05-18-2024  
11:15:48 am

**RocketCityGal** Not too bad for Martinez

05-18-2024  
11:17:20 am

**Tim in KY** The Columbian national time trial race must have been uphill.

05-18-2024  
11:18:11 am

**BusterSci** Columbia not really known for its TT prowess.

05-18-2024  
11:18:47 am

**Katie S** Oâ€™yeah, Oâ€™G

05-18-2024  
11:19:12 am

05-18-2024  
11:19:40 am

**BusterSci** Very good.

05-18-2024  
11:19:41 am

**RocketCityGal** Hard, hard stage tomorrow.

05-18-2024  
11:19:45 am

**Katie S** Buonissimo!

05-18-2024  
11:19:48 am

**BusterSci** Pogi widens his gap, which is good. Â But O'Ganna wins, which is also good.

05-18-2024  
11:20:04 am

**SFinAus** Yup, yup

05-18-2024
