

Tim in KY GdI Stage 12 is 212 kilometers from Siena north past Florence, then east to Bagno di Romagna

05-19-2021
07:06:09 pm

Tim in KY The opening 75 kilometers north are lumpy. Then the route turns east for four categorized climbs in succession with very little flat road between them. Two Cat 2s are bookended by two Cat 3s. The finish is four km of false flat after the final descent. Probably another day for the break.

05-19-2021
07:06:50 pm

Tim in KY The final climb is quite eccentric and, at 11 kilometers long, looks like more than a Cat 3. The finish route looks very un-Giro-like.

Tim in KY Showers on the descent.

05-20-2021
09:11:53 am

Katie S thanks for asking. You must have read our news, then? We decided to pivot after years of declining enrollment and deepening deficits. We announced we would not enroll new undergraduate students after this fall and begin a teach-out program. We will instead establish an institute to focus on women's leadership and gender and racial equity. And we continue to look for a higher-ed partner to help sustain our mission. that's vague, intentionally. It's been one hell of a ride.

05-20-2021

05-20-2021
09:32:30 am

Katie S Hi Dave! I'm here. I haven't been here for 12 days, but I'm here now!! It's looking like summer in Alaska out there in Italy today...

05-20-2021
09:33:57 am

Alaska Dave 16 degrees would be a warm rain here.

05-20-2021
09:35:23 am

Katie S We're holding a drought again here in California ... what's on the horizon where you are?

05-20-2021
09:41:03 am

Alaska Dave It's amazing to watch pros put on jackets so easily while riding.

05-20-2021
09:41:05 am

Alaska Dave We've had two five day spells of sunshine this year. That's more than last year. I have my own drama with my new job.

05-20-2021
09:42:21 am

Katie S ugh. hope it smooths out. What's your new job?

05-20-2021
09:43:15 am

Alaska Dave I'm general manager of St Vincent de Paul, which in Juneau runs an emergency homeless shelter, 101 units of low income housing, and a thrift store.

05-20-2021
09:44:45 am

Charlie in Tenn Sorry that both of you have had issues.

05-20-2021
09:45:00 am

SFinAus Katie, those must have been some difficult decisions to make and announce. It sounds like a very creative and great new direction to take in the face of the circumstances. Sounds like a lot of hard work too.

05-20-2021
09:45:21 am

Charlie in Tenn I love thrift stores. I also appreciate housing.

05-20-2021
09:45:37 am

Alaska Dave Because of covid the normal shelters shut down and left the new guy in charge.

05-20-2021
09:45:41 am

Katie S Thanks, Shawn. Dave, that is a heavy lift. But worthy.

05-20-2021
09:46:08 am

Alaska Dave Our thrift store has been the fun part. No one can travel to shop so business is booming.

05-20-2021
09:46:27 am

Alaska Dave But so are the struggles of those who struggle during normal times.

05-20-2021
09:47:25 am

Charlie in Tenn I have always been thrifty, some said cheap but whatever. I have always had the reuse, recycle, restore, repair attitude and really used thrift stores.

05-20-2021
09:53:04 am

Alaska Dave Who would have thought the 25 years of middle school teaching would be perfect preparation for crisis management in a pandemic?

05-20-2021
09:53:06 am

Alaska Dave Kate, the only cruise ship currently in Juneau is an uncruise. Very different than when you were here.

05-20-2021
09:53:08 am

Alaska Dave Reusing, repairing and recycling are necessary these days. Disruptions in the supply chain means anything new is on back order
