

Tim in KY TdF Stage 19 is the third longest of the race. 203 kilometers from Moux, just west of Pau, to Libourne, just east of Bordeaux. The route runs due north, largely through the pine forests of the Landes region.

Rocket City Gal Also had COVID this spring.

07-16-2021
07:34:53 am

Charlie in Tenn EF team are wearing data bands 24/7. The bands monitor heart rate, power, sleep and a bunch of other stuff. The big use for them, they say, is in recovery between races and stages. They use them especially for training to get the most out of the athlete. The benefit between stages is much less because knowing what a rider is doing can't really be adjusted between stages. I am interested what they say about his status over the last few days.

07-16-2021
07:34:53 am

Rocket City Gal If you read the article, they thought, given his lack of racing and everything else, that this was a possibility. But he rode strong early-on in the Tour, probably exceeding their expectations!

07-16-2021
07:42:00 am

BusterSci I gotta say I buy the EF explanation. There was no hyping of Rigo until his surprise showing at the TdS. And he did have Covid, he didn't race much, and he did take time off for a Burt. I'm not saying they aren't doing a bit of cover, too.

07-16-2021

07-16-2021

Â There was an article elsewhere where Eddy was very complimentary of Cav.
Â I don't think there's any question that their number of stage wins are two different animals and they both realize it, and realize where they each stand in the grand scheme. Â One is the greatest road sprinter of all time. Â The other is the GOAT without qualification.

07-16-2021
09:49:44 am

Katie S Reminds me of a charity bike ride that used to run up north of me a bit, called Waves To Wine. It was a 2-day ride from the coast to the vineyards

07-16-2021
09:50:02 am

Tim in KY Seems way too early for this kind of riding.

07-16-2021
10:01:53 am

BusterSci I've got some top Sauternes in the cellar. ^ Chateau Rieussec 2001. ^ Bought a case on futures at \$35 a bottle. ^ Wine Spectator gave it 100 points and it went up to \$250. ^ Now it's around \$140 a bottle. ^ But I have 9 bottles left.

Katie S As a 20-something magazine reporter, I was assigned to interview a furniture artist one Sunday morning. I arrived at his house, a dilapidated Victorian in the gritty industrial section of Oakland, only to be greeted by a very large bear of a man with a hangover. Seems it had been his son's wedding the night before. He had forgotten our appointment. He invited me in regardless, and we were very shortly joined by another artist. A bottle of Sauternes was summoned. It was 11 a.m., and I enjoyed the day.

07-16-2021
10:03:51 am

BusterSci "Furniture artist." ^ Define that better.

07-16-2021
10:04:42 am

Tim in KY Now some breakers being shed.

07-16-2021
10:04:47 am

10:06:27 am

Charlie in Tenn Trek should have a rider in every break. They just need to rotate through who goes each time.

07-16-2021
10:06:52 am

Tim in KY Like Nakashima?

07-16-2021
10:07:08 am

Katie S probably less comfortable.

07-16-2021
10:07:54 am

Tim in KY I'm still trying to find Pog in the peloton.

07-16-2021
10:08:43 am

BusterSci Look for ol' yeller

07-16-2021
10:09:01 am

07-16-2021
10:09:19 am

Katie S the route looks a bit more rolly than the race profile reveals

07-16-2021
10:16:16 am

Charlie in Tenn 10 off the front with only one of the Trek riders.

07-16-2021
10:16:20 am

BusterSci Looked at his stuff. Â Outside my realm of interest. Â He's more art and less craft (if that makes sense.)

07-16-2021
10:17:59 am

Tim in KY BIV strikes again.

07-16-2021
10:18:51 am

BusterSci Instead of the police asking for their training records they should have asked for their maintenance logs.

07-16-2021
10:19:22 am

Katie S good one

07-16-2021
10:19:30 am

Charlie in Tenn Definitely a furniture artist

07-16-2021
10:20:43 am

07-16-2021
10:21:46 am

Charlie in Tenn Mohoric may have just stolen the race.

07-16-2021
10:22:22 am

Katie S bet he'd love to drape his wrists over his bars TT style...

07-16-2021
10:23:37 am

BusterSci Matej was the original super-tucker.

07-16-2021
10:24:00 am

BusterSci Wonder why autocorrect didn't change that one to "ducker"?

07-16-2021
10:24:30 am

Tim in KY Time cut will be about 25 minutes because of the fast pace of the break.

07-16-2021
10:34:02 am

Tim in KY Maybe 22 minutes.

07-16-2021
10:36:02 am

07-16-2021
10:37:00 am

Katie S Let's hope DQS is paying attention and doesn't get a time cut on a flat stage

07-16-2021
10:37:26 am

Katie S 10 km

07-16-2021
10:37:54 am

07-16-2021
10:52:13 am

Katie S "Silencing those who criticize BIV"??? says McCrossan. Looked more like "I'll never tell" to me.

07-16-2021
10:53:27 am

Charlie in Tenn Yes, a bad choice no matter what it meant.

07-16-2021
10:53:59 am

BusterSci I think we have to be careful assuming the idiom here. Â But one should be cognizant of history, as Charlie suggests.

07-16-2021
10:54:36 am

Katie S An American would have just provided a one-finger salute, perhaps with an elbow pump.

07-16-2021
10:55:27 am

Tim in KY Katie, Bling picked up 3 points on Cav at the intermediate.

07-16-2021
10:55:30 am

Katie S oh, right. i hadn't logged on then.

07-16-2021
10:55:40 am

Katie S They'd save time at the podium presentations if Pogacar just put all the jerseys on and then peeled them off as the background changes.

07-16-2021
11:00:42 am

BusterSci Just make him a damn combo jersey and be done with it.

07-16-2021
11:01:09 am

Katie S even better

07-16-2021
11:01:23 am

07-16-2021
11:03:56 am

07-16-2021
11:10:32 am

07-16-2021
11:14:01 am
