
 **Tim in Ky** TdF Stage 20 is a relatively short 22.5 kilometer individual time trial 07-21 15:58

through the streets of Marseilles. Interestingly, the race starts and finishes a structure called the Orange Velodrome but which is actually a soccer stadium. With stadium seating like a soccer stadium -- and all those seats will be filled. Two temporary roads were built into and out of the stadium just for this time trial. Although the course is short, it's extremely technical with lot of twists, turns, and tight corners. There's even a hairpin at the turn around.

 **Tim in Ky** The course is mostly flat but there is one climb with 7 km to go. And it's a 07-21 16:05

doozy. The road up to the basilica of Notre-Dame de la Garde rises 116 meters in 1.2 km at a gradient of 9%.

upload.s3.amazonaws.com/61922326bc2ef459e5ed5de71ef53a57/1500667832-TdF%20stage-20-profile.png

 **Tim in Ky** The course is certainly not long enough for anyone to put half a minute on 07-21 16:10

Froome unless he goes full Rasmussen. But it will be fun to see how the stadium thing works out.

 **Tim in Ky** First rider leaves the start house at 13:45 CET (07:45 EDT), last rider at 07-21 16:20

17:04 (11:04 EDT). Expected finishing time is 28 minutes.

 **mem54** Thank you, Timothy. Appreciate all the work you've it in to make this easier 07-21 18:38

to follow. See you tomorrow.

 **BusterSci** Intersting. The Orange Velodrome was, when built, a velodrome called the 07-21 21:09

Stade Velodrome. Over the years it became a soccer and rugby stadium, with the cycling track finally being removed in the mid 80s. Wikipedia says before the track was removed the soccer fans would slide down the banks to storm the field. Orange, of course, is Orange S.A., the telecom company, who have paid for naming rights.

 **BusterSci** If Froome does pull a Chicken I wonder if the cult of Sky on Twitter will 07-21 21:12

demand that other riders on course come to a standstill until His Majesty is back rolling.

 **memb54** My favourite rugby club Toulon played there and it was a venue for the World Rugby Cup 2007. 07-22 05:30

 **Tim in Ky** We use the Orange cellular network when we're in France but I've always thought it was a dumb name because it offers no clue as to what it does. Which is fine for a holding company or conglomerate. If you want to sell to the public, not such a good idea. So don't get me started on Oath. 07-22 06:08

 **Tim in Ky** Oath Cannondale Drapac would be OCD. 07-22 06:13

 **mcnally_mi** Anthony McCrossan on the call with Sharon Laws. Video is up. Velodrome looks amazing. 07-22 06:59

 **BusterSci** Thanks, mcnally. Got time to watch today. 07-22 07:01

 **BusterSci** I like the chase format. I could get into this as a normal thing. 07-22 07:02

 **Katie Lane** Going for a bike ride early to beat the heat (and potentially some showers), so I'll have to miss most of this one... 07-22 07:03

 **Katie Lane** Did mow the lawn mid-day yesterday. The heat was pretty horrid. I did wear my red and white polka dot T de F cycling cap whilst mowing to try to catch some of the sweat. You'd have to see the yard to know the appropriateness of the hat. The back's a Category 3 climb.... 07-22 07:05

 **BusterSci** Really, one goat should do. 07-22 07:10

 **BusterSci** It was neat how others grouped up hoping to work together to gain some time on her. 07-22 07:29

 **Tim in Ky** They're running behind in the start house. 07-22 08:01

 **BusterSci** 86F. 10mph winds from the SSW. The only weather change expected is slowly increasing humidity through the stage. About 48% now up to 58% by the time Froome rolls out. 07-22 08:04

 **Tim in Ky** I'd take 58%. We're about 115% right now. 07-22 08:05

-  **BusterSci** This is the first morning this week that my windows haven't been fogged 07-22 08:07
over in the morning. Humidity broke here yesterday afternoon and we'll see low 60's the next couple nights. Love the July high pressure areas.
-  **Tim in Ky** We need one of those. 07-22 08:08
-  **Tim in Ky** Greipel is off. 07-22 08:09
-  **Tim in Ky** Phinney first at the first time check by 0:55. 07-22 08:10
-  **BusterSci** So do you think Phinney is looking for a good time here or is he just 07-22 08:10
radioing in course details for Rigo to use later?
-  **Tim in Ky** He gunning it. 07-22 08:11
-  **Tim in Ky** Rowe on the climb. 07-22 08:12
-  **BusterSci** Appears most of the fans on the climb are encouraging the Sky rider. That's 07-22 08:14
good. If I were Froomey a stage like this, with Bardet just 23s behind, would spook me a bit. I know there are barriers, but just one eejit is all it takes at this point.

 **Katie Lane** Love today's essay, Mons. Will be leaving for our bike ride soon -- won't be going as fast as these guys, not by a long shot. A flattish 40 miler to a nuclear power plant and back. The ride gets glowing reviews. 07-22 08:56

 **BusterSci** Prednisone can be miraculous at shrinking tumors temporarily. Glad you're getting the extra time. 07-22 08:57

 **Katie Lane** Love today's essay, Mons. Will be leaving for our bike ride soon -- won't 07-22 08:56

be going as fast as these guys, not by a long shot. A flattish 40 miler to a nuclear power plant and back. The ride gets glowing reviews.

there was if you get stabbed or shot you wanted to be taken to Cook County, since they had so much experience with trauma wounds. If it wasn't an emergent situation then you'd try for Northwestern Memorial or Rush Presbyterian.

 **Katie** I caught pneumonia when I was a grad student at Northwestern. I managed to 07-22 09:43

	Katie :-)	07-22 09:44
	Katie This is partly why I have a purple bicycle	07-22 09:45
	BusterSci I spent the longest 7 years of my life in my 3 year degree program at Northwestern.	07-22 09:45
	BusterSci 2 of those were double secret probation.	07-22 09:45
	Katie you got the most out of that education, didn't you?	07-22 09:46
	David Stanley Whoa, that roar for Voeckler has to feel good.	07-22 09:46

	Katie got my MSJ in '95. I was old.	07-22 09:51
	BusterSci 82-89. I had to look up the Taco Bell on Clark. The closest I ever came to it was walking past on my way to Buffalo Joe's	07-22 09:53

 **BusterSci** Kwiatko 6s faster than Bodnar. 07-22 09:54

 **BusterSci** That was at the first time check 07-22 09:55

 **Katie** Speaking of mustaches (Taylor's and mine), I just read this in the NYT: "When the remains of teh Surreliast painter Salvador Dali were exhumed in Spain on Thursday night, forensics experts made a startling discovery: The artist's trademark mustache was still intact." 07-22 09:55

 **BusterSci** Probably so encased in years of wax that it wasn't going anywhere. 07-22 09:55

 **BusterSci** Kwiatkowski is going to go so hard that he'll likely bonk and come to a complete stop within a km of the finish. Especially since Froome is in the car behind him. 07-22 09:56

 **Bill Wilkinson** I think that's a clause in Kwiat's contract. 07-22 09:58

 **Bill Wilkinson** NBCSN showing Roglic crashing and burning on a ski jump. Stay classy, guys. 07-22 09:58

 **BusterSci** Has anyone seen GDinSD during this Tour? He's the only regular I haven't seen so far. 07-22 09:59

 **Bill Wilkinson** Matthews slots in at 33rd so far. 07-22 09:59

 **Katie** No, I haven't, Buster. Huh. 07-22 09:59

 **BusterSci** How about on Facebook? 07-22 10:00

 **David Stanley** Primoz was Junior World's champ on the normal hill in 2007. Mad skills. MAD, I tell you. 07-22 10:01

 **Katie** I'm not on FB, so can't help there. 07-22 10:01

 **Trish in MA** I've been texting back and forth with Carlene in NH this AM. She hasn't followed the Tour at all this year. I gave her the Dude report. She wished me luck with the Valspar Challenge. 07-22 10:01

 **BusterSci** Sportscasters pick up on meaningless details and just can't let them go. 07-22 10:02

Cillian Kelly edited Ruglick's Wikipedia page to change his name to "Former Ski Jumper Primoz Roglic."

 **Bill Wilkinson** Today's Dude report: Dudes finished, dudes riding, dudes waiting to 07-22 10:03

start.

 **Trish in MA** Yup. That's about right. 07-22 10:04

 **BusterSci** I believe it was also done to "Diminutive Domenico Pozzovivo". Because at 07-22 10:04

least half the time they say his name it's preceded by "Diminutive"

 **BusterSci** preceded. 07-22 10:04

 **Katie** and who can forget "Little Robbie McEwen" 07-22 10:05

 **RSoseman** Says the penguin with the big forehead 07-22 10:06

 **BusterSci** Big Mig was a good nickname. But with Phil it was "Big Maggie 07-22 10:06

Backstedt", "Big Thor Hushovd" and of course "Big George Hincapie"

 **BusterSci** I've got no shortage of forehead, that's for sure, Mons. 07-22 10:06

 **BusterSci** If I could trade in a bit of forehead for a little more chin... 07-22 10:07

 **RSoseman** I just awoke and thought that was funny 07-22 10:07

 **Bill Wilkinson** Kwiat in 2nd at +:01 07-22 10:08

 **BusterSci** Missed by THAT much 07-22 10:08

 **David Stanley** Phil has a very small adjectival palette. 07-22 10:08

 **BusterSci** How would a guy like Kwiat do if he hadn't emptied himself multiple times 07-22 10:09

the last three week.

 **BusterSci** When Phil was good he was fantastic. But that day has passed. 07-22 10:09

 **RSoseman** So we had the wildcat alum report. What you said was true Katie, people are dying to be on our socialized medicine rather than Italy's 07-22 10:13

 **BusterSci** Literally, Mons? 07-22 10:13

 **David Stanley** Actor John Heard (Home Alone) was just found dead by maid service in a hotel in Palo Alto. Dang. 07-22 10:14

 **RSoseman** I have a story... back in a few 07-22 10:14

 **mcnally_mi** I guess my perspective is a bit skewed on Phil and Paul from my days working in MLB. The Vin Scully, Harry Caray types were treasures. Even though with age they may have slipped, the sport and people in it cherished having them there. Personally, I have had a chance to meet both at the ToC over the past years and both were as nice as anyone could have imagined. 07-22 10:17

 **Katie** Yeah, I actually enjoy the mellifluous banter. I think nowadays I prefer the other guys when I want more serious racing commentary. 07-22 10:19

 **BusterSci** Vin was accurate all the way to the end. Harry was eccentric, all the way from the beginning. Baseball doesn't move as fast as cycling, you always know your home team, so you only have to learn the other team. When the action hits, whether on the slopes or in a sprint, Phil provides more misinformation than DC (although, unlike DC, it isn't intentional.) I don't dislike Phil, but I'd rather see him as a studio host than calling the race. 07-22 10:23

 **Katie** Barguil gets Most Aggressive Rider for the whole Tour. 07-22 10:25

 **Katie** Is he French? 07-22 10:26

 **BusterSci** Nice, Katie! 07-22 10:26

 **BusterSci** It's not a horrible choice, but there are better choices, I think. 07-22 10:26

 **BusterSci** News is that all the French teams are trying to buy Barguil out of his Sunweb contract. 07-22 10:28

 **Mons Soseman** I am happy I am here and not standing along a hot barrier in Marseille 07-22 10:28

 **BusterSci** 10th for Ruglick 07-22 10:29

 **Katie** Ruglick was faster than Phinney even with the bike change. 07-22 10:29

 **BusterSci** I agree, Mons, but a big bowl of bouillabaisse and a bottle of rose would be perfect after the race. 07-22 10:30

 **mcnally_mi** Barguil has aspirations to win the Tour. Sunweb is ready to put their Tour hopes on Dumoulin. 07-22 10:30

 **Mons Soseman** Ugh, fish 07-22 10:31

 **BusterSci** I haven't seen that, mcnally. Can you point me to a source? Last I heard Barguil said he didn't think he was a Tour winner. But sandbagging would be no surprise. 07-22 10:33

 **Pasquino** Good day. You were speak about medicine in Rome. A good my friend fell in street two streets from Città del Vaticano and it took 2 hours for ambulance to come. A friend said in Brazil ambulances come in 5 minutes and that is considered a third world country. 07-22 10:37

 **David Stanley** I'm sure Tim already posted this but here's a link to the complete start list. <http://www.cyclingweekly.com/news/racing/tour-de-france/tour-de-france-stage-20-time-trial-start-times-343404> 07-22 10:38

 **Mons Soseman** That's too bad Pasquino. 07-22 10:38

 **BusterSci** Barguil thoughts: 1: let's see how his TT is. 2: Can he pull of the mountain 07-22 10:45
exploits while within striking distance of a podium? But I'd love to see Barguil and Bardet fighting for first.

 **Mons Soseman** I will be home for eclipse and possibly come back and go to Spain for 07-22 10:45
a stage or two.

 **David Stanley** Stadium erupts to Chavanel's appearance. 37 YO. 17 Tours. 07-22 10:45

 **Katie** Contador in the house 07-22 10:46

 **David Stanley** Alberto in the gate. I can see him switching focus and becoming a hilly 07-22 10:46
one day classics winner. Discuss.

 **BusterSci** Mons, are the Quads in the path, or will you be headed elsewhere for the 07-22 10:46
day?

 **Katie** he will not go quietly into the good night, that's for sure 07-22 10:46

 **David Stanley** Barguil ready. 07-22 10:47

 **Mons Soseman** No German police escort, just the Gendarme... 07-22 10:48

 **bikerabe** I would respect Contador more if he had admitted doping, served penalty and come back 07-22 10:49

 **Mons Soseman** Maybe Lincoln, Bustersci. It is closer than Carbondale, way in Southern Illinois, which is also prime viewing 07-22 10:49

 **BusterSci** Agree, bikerabe. 07-22 10:49

 **Mons Soseman** Nebraska that is. 07-22 10:49

 **BusterSci** Making a family trip? 07-22 10:50

 **Mons Soseman** Yes possibly, though I have told no one yet. ;) 07-22 10:50

 **BusterSci** If you need company, let me know. I might be able to work something. 07-22 10:52

 **BusterSci** I was thinking of staying overnight at my brother's in Des Moines and then day tripping to totality. 07-22 10:55

 **Katie** Putting together my shopping list for tomorrow's TdF viewing party. Quiche Lorraine. What else do I need? Fruit? What's everyone else doing? Is Frau Buster up to something? 07-22 10:55

 **Mons Soseman** That's possible, I had thought the same about relatives in Omaha. I will keep you apprised 07-22 10:55

 **Mons Soseman** The rector of the seminary in Lincoln is also a physicist, so the seminarians are planning a viewing party, I have heard 07-22 10:56

 **David Stanley** Aru ready. He's wearing a breath-right strip. When I wear them, I sweat 07-22 10:56

so much that they come right off. Tried a dab of superglue. It worked, but...

 **Mons Soseman** Eclaires, definitely Eclaires au chocolat 07-22 10:57

 **Mons Soseman** Ouch David 07-22 10:57

 **Katie** mmmmm, eclaires. 07-22 10:57

 **BusterSci** My best friend's son (21) is coming over and we'll do our standard crepes 07-22 10:57
and Nutella. Frau was going to do regional dishes all Tour and had it planned out before the perfect puppy popped up and we became puppy parents. Kinda sucks the time

 **Mons Soseman** Here the finish is in the evening. Is it delayed at all, or normal time, 07-22 10:58
around 4 UTC?

 **BusterSci** I interviewed with the company that invented BreatheRite. Got an offer, but 07-22 10:58
it just didn't feel like a fit to me.

 **David Stanley** And Mons, the strips made no difference. When the HR goes up, my 07-22 10:58
mouth gapes open.

 **Gilliemarie** What time will tomorrow be here BusterSci? 07-22 10:58

 **BusterSci** Start about 9:45 CDT and finish a bit after noon CDT 07-22 10:59

 **David Stanley** They work great at night, BusterSci, when you have a stuffy nose - cold 07-22 10:59
or allergy.

 **Mons Soseman** Here the finish is in the evening. Is it delayed at all, or normal time, 07-22 10:58
around 4 UTC?

 **BusterSci** I interviewed with the company that invented BreatheRite. Got an offer, but 07-22 10:58
it just didn't feel like a fit to me.

 **David Stanley** And Mons, the strips made no difference. When the HR goes up, my 07-22 10:58
mouth gapes open.

 **Gilliemarie** What time will tomorrow be here BusterSci? 07-22 10:58

 **BusterSci** Start about 9:45 CDT and finish a bit after noon CDT 07-22 10:59

 **David Stanley** They work great at night, BusterSci, when you have a stuffy nose - cold 07-22 10:59
or allergy.

 **Mons Soseman** Maybe a bit of Moet Chandon or tomorrow, not here, of course, but a 07-22 10:59
little Champagne never hurts

 **BusterSci** When I interviewed I got a big pack of goodies. They work quite well for 07-22 10:59
many people.

 **Mons Soseman** URAN 07-22 11:00

 **Mons Soseman** Crosses himself 07-22 11:00

 **David Stanley** On Bardet's top tube is says, "Take the risk or lose the chance" in 07-22 11:00
English. That's a big AG2R jersey.

 **Mons Soseman** and he's off 07-22 11:00

 **BusterSci** Time to slow the NRRBBB and let's focus on the final riders! 07-22 11:00

 **Mons Soseman** pourquoi en anglais? 07-22 11:01

 **Mons Soseman** had to come back 07-22 11:34

 **David Stanley** Bardet in 3rd by one second. Whoa. 07-22 11:34

 **BusterSci** I'm turning off autocorrect for the Bueka Eslanga. 07-22 11:34

 **Katie** he's not going to like that. Asterisk the win. 07-22 11:34

 **Mons Soseman** but I had that "has won the Tour de France" before the last stage. 07-22 11:34

 **Joanna in New York** Artie says "hi"! 07-22 11:34

 **BusterSci** Bikerabe, I don't think there are bonus seconds at the intermediates this year...but I may be wrong. 07-22 11:40

 **bikerabe** Stealing Third would really bring out the French boos 07-22 11:40

 **mcnally_mi** You are correct, Buster. 07-22 11:40

 **bikerabe** OK no problem 07-22 11:40

 **BusterSci** Would make for an exciting intermediate sprint though. 07-22 11:41

 **Katie** Very close . I would have been disappointed to see Bardet lose his spot. I'd like to see him take the whole thing. 07-22 11:41

 **Katie** in coming years. Agree we need a French winner. 07-22 11:41

 **BusterSci** yeah, I don't care to see people lose in a TT. If Bardet had lost his podium 07-22 11:42

by going for a win at Izoard he'd still be a hero. But losing in a TT doesn't bring that.

 **BusterSci** Aight, see youse guys tomorrow. 07-22 11:43

 **Katie** thanks, gang. A demain! 07-22 11:47

 **Tim in Ky** Back for lunch. Good for Riggo. 07-22 11:52

 **Gilliemarie** Thanks Tim. I'll miss tomorrow due to church! Will have to read archives 07-22 11:55
